

### Grocery Gems & Goodies

by "Phil"

Hello there all you Grocery Shoppers! Yes, this is new — and we will try and bring you the latest news in (Grocery Gems) as well as the (Best Buys) of the week.

This week Citrus Fruits are being featured, and with the arrival of the new crop of grapefruit from Florida, shoppers will be able to enjoy the best once again.

In the Meat Department, Pork is the best buy featuring pork chops and loins.

#### ON THE CANNING FRONT

The shortage of canning supplies is apparently national in scope. The shortages in home-canning equipment appear to be affecting regular customers the most, rather than new buyers of the products.

The shortages are caused by a vast increase in demand, and shortages of soda ash and tin plate. There are an estimated 6 1/2 million new family gardens this year. Beyond that there is a world wide increase in demand for tin plate and an increase in domestic demand for soda ash. Environmental restrictions led to the closing of two major synthetic soda ash plants.

Manufacturers have been doing everything possible within the constraints of supply to meet demands, working six days a week, and three shifts a day when raw materials are available. Inventories are at record lows; there is no holding back by the manufacturers. We are told by industry that warehouses are nearly empty — all available canning equipment is in retail stores or enroute.

### Southern Tier Legal Services In New Location

Beginning Tuesday, September 10, 1974, Southern Tier Legal Services will have a new location in Wellsville. Office hours will be held every second and fourth Tuesday of the month at the Moore Lodge 1580 of the International Association of Machinists and Aerospace Workers, on South Main near Dyke Street, next to the Quaker State gas station. The move from the old quarters at the office of the Allegany County Informational Center for Rural Senior Citizens at the Ag & Tech campus was made necessary by the start of the new school year and the consequent lack of space at the Ag & Tech campus.

Southern Tier Legal Services attorneys will continue to handle the same type of cases for Allegany County residents unable to pay the fee of a private attorney. These include consumer problems, landlord tenant disputes, family problems, wage garnishments and problems dealing with employment, welfare, food stamps, Medicaid, social security, Medicare, Supplemental Security Income and a variety of other civil cases. The service offered includes advice, representation in negotiations or in court as may be appropriate in each case. No fee is charged those who are eligible.

Appointments to see an attorney in Wellsville can continue to be made by calling the office of Allegany County Informational Center for Rural Senior Citizens at 716-593-5486 any day Monday through Friday 9 A. M. to 5 P. M.

For further information call Gerald A. McIntyre at 607-937-5486 or call Ms. Lois Marsh at 716-593-5461.

### United Speedway News

Due to the rains which washed out the Labor Day Festivities at Holland International Speedway, the Genesee National (150) has been re-scheduled for Saturday, September 14th. At that time all events scheduled for the Labor Day Weekend will be held. This includes practice starting at 12 noon followed by time trials for Late Model Sportsman at 2 p. m. After this, there will be qualifying heats for the Chargers, Challengers, Limited Sportsman and Late Model Sportsman. At 4:30 in addition to the Chicken Bar-B-Q, fans will be entertained by Schriener's Precision Motorcycle Team.

At 7:00 p. m. the first feature event of the evening slates the Challenger feature. This will be followed by the Charger feature and then the Limited Sportsman Feature. At 8:15 p. m. those 30 qualified drivers for the 150 lap event will be introduced and receive the green flag at 8:30 p. m.

Before the rains cut short the program on Labor Day Weekend, Bob Starkie of Buffalo was holding fastest time in the time trials with Art Clark of West Seneca. Second, Defending Champion Bob Senneker of Dorr, Michigan did not have an opportunity to qualify before the rains came. 1973 Holland (100) winner, Art Sommers of Warren, Michigan, qualified in third with a 1974 Camaro.

In addition to the 32 entries which trekked in on the Labor Day Weekend, the re-scheduled event will attract a host of Canadian and Michigan drivers now that their regular weekly tracks are closed for the 1974 season.

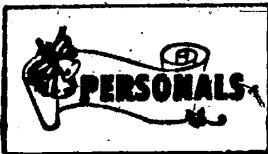

All tickets purchased for the Labor Day Weekend are good on the 14th. A limited number of reserved seats still remain and can be obtained by calling the Speedway office. The running of the Genesee National (150) will bring to a close the 1974 season at Holland International Speedway.

#### Appreciation

I wish to thank the Village of Andover for the assistance rendered to the Town of Andover by the use of equipment and man power on the Connor Street Project, and feel that the residents of both the Town and Village will benefit from this close co-operation.
