Editorial

by Diane Bliss

As promised, I said I would write about the fall sports now underway. For those of you requesting it, here it is.

We seem to have come up with strong teams for boys' soccer, girls' soccer and cross country. If you were to ask any participant of these sports, they would probably tell you it feels good to be out and running again.

Soccer is tougher than ever this year with both teams carrying a great 3-1 record so far. Almost any night after school, the air will be filled with the still enthusiastic voices of battered, weather-worn, sometimes tired, sometimes not, aching A. C. S. athletes. There's also the rhythmic drone of "one, two, three, hey!" or the now famous saying, "Beat 'em to the ball" as the teams drill and exercise and finally collapse. The cross country team is looking forward to one whale of a season as I hear a few of the panting Panthers even attempted, and I assume were successful, a run to Alfred just for practice and warm-up. Coach Nicol has been really shaping them up and his famous words have been marked as, "Does It Hurt?", to which the usual reply is "Yes" and to which he smiles and says, "Good, Go."

Coach Coon seems to have really pulled the boys soccer team together. The scoring has been fairly divided among the tough A.C.S. forwards and the defense looks mighty strong. The guys have found some of his methods to be different, but have come up showing a little respect for his differences. Its looking like the start of a great season.

As for the girls' soccer squad, well, there's been changes there, too. We have had almost a record number of girls out for the team this year - all eighteen of them. It may not be the biggest team around but they surely had a few teams fooled. Coach Troxell has been selling most of the usual things and they seem to be sinking in this year. Even the lopsided goal cages and a field like a washboard have helped. Now they can play on almost any ground surface you put them on.

There you have it - the fall sports outlook. Yes, we athletes are crazy to put up with the heat, cold, rain, mud, injuries and crazy egos, but it surely makes you feel good to have been out there doing it all, especially when you win.

Panther Prowl

SOCCER

by Mike Bliss

The Andover soccer season got off to a terrific start last week as the "Big Panthers" won all three of their games.

On Monday Andover travelled to Greenwood to take on last year's Section II Champs. It was not easy, but after seventy-two minutes and two overtimes, we emerged victorious over the Greenwood Eagles 3 - 2. Scorers for Andover were Marty Geer, Rick Cahill and Gary Barden.

On Wednesday we journeyed to Belmont to meet a massive eleven man squad. Andover got the first goal after only six minutes of the game had elapsed. However, Belmont was soon to react as they pounded out two goals to lead 2 - 1. After we exchanged a goal apiece Belmont still led 3 - 2 going into the final period. But a team effort by the Panthers quickly rectified the situation and with just three minutes left in the game we scored our fourth goal to take the lead for the last time 4 - 3. Steve Scott, Lou Spencer, Gary Barden, and Marty Geer each scored for Andover.

Finally, to top off a "super" week Andover played its first home-game against its arch-rival Alfred-Almond. Again on a muddy, rainy field the Andover defense and offense put it together to emerge victorious over the A-A Eagles 2 - 1. Rich Cahill connected for the first Andover score in the third period after A-A put one through in the first period. The rest of the game was a defensive battle between the rain-soaked teams until a butter-fingered A-A goalie dropped the ball and their fullback picked it up with his hands to save A-A from sure defeat. But the play enabled Tim Mead to use his penalty kicking ability as he adeptly put the ball into the Alfred-Almond goal to give Andover its 2 - 1 victory and third in a row. If Andover keeps this up it won't be long until you will be hearing about their sectional games. Andover leads the County now with the best win loss record so far.

The Panthers met Scio on Monday and Richburg on Wednesday, both away games. They also play Whitesville on Friday at Whitesville. Our next home game is Monday, September 30 against Greenwood. Let's see some support at these games!!!

CROSS COUNTRY

by Dale Russell

The Cross Country team had a fine turn out this season as nineteen came out for the team. Eight members of the team are varsity.

The roster is:

The Cross Country team traveled to Alfred-Almond Tuesday, September 24. The meet was a triangular-meet, including: Andover, Alfred-Almond, and Franklinville. Good luck to our distance runners!

A.C.S. Enrollment

by Mike Richardson

Andover Central School has welcomed twelve new students into A.C.S. This year's total is 586 students as compared to last year's total of 574.

The enrollment for K - 6 is 298; 7 - 104; and 9 - 12 is 184.

New Teacher

by Marsha Baker

Once again the students of A.C.S. welcome a new teacher, but our subject this week is a celebrity. He is Mr. Charles Young, sixth grade teacher, who is under contract with the Buffalo Bills, and soon to be released.

Mr. Young was born November 8, 1950. He attended high school at Hornell Senior High. His college education was received at Alfred University. Last year Mr. Young did his student teaching here at Andover Central School under the supervision of Mrs. Peterson.

Mr. and Mrs. Robert C. Young are Mr. Young's parents. He has six brothers and sisters: William, James, Robert, Patricia, Gary and Karen.

Mr. Young is married to the former Pamela Powers of Alfred. They have one son, Karl, who will be two in December.

Mr. Young likes small communities, but since he lives in Hornell he hasn't had the chance to be around Andover. He hopes to be able to know Andover as well as he knows his hometown, Hornell.

Teaching sixth grade, Mr. Young hasn't had much of an opportunity to know the older students, but he hopes to get better acquainted.

Mr. Young's hobbies seem to revolve around fishing. He said that he is still trying to figure out a way to make a living fishing. He does stream fishing, lake fishing and ice fishing. He also hunts deer. And last but not least, he enjoys staying in top physical shape and being with his family.

We, the students of Andover, are glad to welcome Mr. Young. We hope he likes it here very much. We also wish him a very successful year as Varsity Basketball Coach.

FHA News

by Cindy Tomm

This year's FHA Officers are:
 President - Cindy Tomm
 Vice-President - Cathy Swartz
 Secretary - Marsha Baker
 Treasurer - Linda Mulconery
 Historian - Sue Emery
 Membership Chairman - Sara Pantan

Parliamentarian - Lisa Brown
 Student Council Representative - CoCe Gavin
 We would still like some volunteers for other offices from any girls willing to help out, and do their part.

ATTENTION: - Initiation will be October 2. This is for any 9 - 12 grade girls wishing to join. Initiation is one of the most unusual fun days for the girls. They dress up in awkward and strange outfits and must do whatever the members demand (within reason). Also, if there are any boys interested in joining FHA, now is your chance. There are many activities for boys as well as girls.

Please pay your dues of two dollars to Linda Mulconery by October 1.
