me near one of those places again.

Want to know why?

1. Everytime I went, they asked me for money.

2. The people with whom I had to sit didn't seem very friendly.

3. The seats were too hard and not at all comfortable.

4. I went to many games, but the coach never came to call on me.

5. The referee made a decision with which I could not agree.

6. I suspected that I was sitting with some hypocrites - they came to see their friends and what others were wearing rather than see the game.

7. Some games went into overtime, and I was late getting home.

8. The band played some numbers that I had never heard before.

9. It seems that the games are scheduled when I want to do other things.

10. I was taken to too many games by my parents when I was growing up.

11. I recently read a book on sports and now I feel that I know more than the coaches do anyhow.

12. I don't want to take my children to any games, because I want them to choose for themselves what sport they like best.

P. S. - Sound familiar
