

HI-HERALD

Editorial

by Diane Bliss

It looks as if we've made it through that grueling first ten weeks of school. I've noticed a few of us have nice, wide grins on our faces due to great effort paying off in the end. In fact, it seems like a very few faces. As for the rest of us who don't seem to know whether to cry because we did poorly or jump for joy, because we passed, — cheer up. There's only thirty weeks left.

Now, thirty weeks might sound

M. at the Court House in the Town of Amity, commence selling at public auction, so much of each of the said several and respective lots, tracts, pieces or parcels of land as shall be sufficient to pay all State, County, Highway, School or other taxes assessed and levied thereon in the year 1973 & 1974 that may then remain due on each thereof, respectively, together with the interest, cost and charges which have arisen or accrued or that may arise or accrue thereon, and shall sell and continue from day to day to sell until the said sale shall be completed.

like a long time, but it goes more quickly than you think. So, the word is that we better "settle down" before its too late.

Elsewhere around the halls, now that soccer and cross country are out of the way, there's quite a variety of sports looking for enthusiastic members. The guys have a choice of basketball or swimming while the gals can choose between volleyball and swimming. What's the opinion of the study body on our new athletic rules?

We've got quite an active school with all our sports, Campbell Label Drive, Red Cross, Class Projects, Music and a variety of other activities and clubs. Let's keep the activities and people rolling and busy. If you complain about nothing to do ninth periods or during study halls, ask your friends what they do and find something to fit your own needs and interests.
