

### Grocery Gems & Goodies

by Phil Fitch

Hi Folks, 'Tis the Season to be Jolly — Yes, it is the Merry Time of the Year when you can save money on buying fresh citrus fruit in the bulk that has been shipped straight in from Florida. Shop around and find the best buy in oranges and grapefruit in the case lots.

Don't say we said so — just check for yourself and see that many grocery stores are featuring fresh Poinsetta and Mums at less than 1/2 the price of some florists. In the meat line, Turkeys and Holiday Hams are featured at below cost — sales.

And for that unpredictable sugar market that has been acting like a "yo-yo" — yep, you guessed it, its up again. So, here is an excuse to "lay off the sweets" over the Holidays.

"Have a Happy Holiday!"

#### Appreciation

I wish to express my appreciation to all for the cards, visitations, flowers and also the basket of fruit from the Lions Club, which I received while I was in the hospital.
