NOTICE:

Pursuant to an order of the Public Service Commission, we are filing tariff provisions governing our policies for requiring deposits from residential customers. We may require deposits from residential customers on the basis of credit risk standards. An existing residential customer may be considered a bad credit risk and be required to make a deposit if he has been delinquent in payment two or more times in a recent twelve-month period or has had his telephone service disconnected for nonpayment in the preceding twelve months. A new residential customer may be considered "non-credit rated" and be required to make a deposit if he cannot provide three positive answers to six questions designed to establish credit worthiness. We may alternatively consider, when available, a new residential customer's past payment experience with a New York utility rendering the same type of service and may require a deposit if the customer has been delinquent in payment twice in a recent twelve-month period with the other utility or has been disconnected for nonpayment by the utility in the preceding twelve months.

We will review the status of our held deposits by April 1, 1976 and refund deposits to qualified residential customers. Thereafter, we will review the status of residential accounts which are secured by deposits on at least an annual basis and refund deposits accordingly.

Copies of the tariff leaves are on file at the company's offices located at Alfred Station, New York, 6329 Route 21; Dryden, New York, 6 Dryden-Freenville Road; Sanborn, New York, Lockport & Ward Roads; Dundee, New York, 10 Main Street; Cato, New York, South Street.

Legal Notice

Notice To Harborers Or Owners of Dogs

Dog Licenses were due on or before January 1, 1976. They may be obtained at the Town Clerk's Office.

The law requires that dogs be licensed by January 1. Failure to obtain a license subjects the owner to a penalty of \$10.00 and costs and the dog is liable to seizure.

The Commissioner of Health has issued an order requiring all dogs six months of age or over in the County to be vaccinated to prevent rabies. Therefore an applicant for a dog license must present to the Clerk a certificate certified by a duly licensed veterinarian showing that the dog has been so vaccinated.

To be acceptable, the certificate presented must show that modified live virus vaccine was used within four years immediately preceding the application date, or that killed vaccine of brain tissue or brain tissue origin was used within the year immediately preceding the application date.

If your application is mailed to the Clerk, the vaccination certificate must accompany your application and check.

If you don't have a new license for your dog it would be advisable to get one in the immediate future before you are served a warrant!

GLADYS FOX,
 Town Clerk
