NEIGHBORS
Enjoyed or Ignored

Neighbors are people, together with us they form our town. Together we make the town, good, honest, friendly, tough, poor, rich etc. You and I knowingly or unknowingly have a vital share in the kind of a town Andover becomes.

That evening, when 1/2 of the town was without electricity, we became aware of neighbors. When there was an emergency we were really interested in those around us. People were thankful for the help of neighbors and the town folk. We enjoyed talking with neighbors and sharing whatever was needed.

We are all God's children. He wants us to "encourage and strengthen one another." Let's take time to at least say "Hi" each day. Let's accept our neighbors just as they are. Not one of us is perfect. Right? Ask God's help that you may respect and enjoy all your neighbors. Then together reach-out to others to encourage and strengthen them that we may act and talk as God's children.

Neighbors are all around us. Think — have you been ignoring some of them? Try to reach out to them. God will bless each of you.

"You shall love the Lord your God with all your heart and with all your strength and with all your mind and your neighbor as yourself." Luke 10:27
