Two Concerts To Mark Winter Festival At Alfred

Two performances this week by the Concert Band and Jazz Ensemble will mark the ninth annual Winter Festival of Music at State University Agricultural and Technical College at Alfred.

The concerts, both open to the public, will be at 8 a. m. Thursday (Feb. 26) and 2:30 p. m. Sunday (Feb. 29) in the campus music center.

Students at area schools have been issued a special invitation to attend the Thursday evening Bicentennial program.

Family Film To Be Shown Sunday, February 29

TIME TO RUN, a film that is a mixture of problems and solutions, will be shown at The Alliance Church at Rochambeau Ave. in Sunday, February 29. The feature, filmed in Eastmancolor by World Wide Pictures, will be shown once beginning at 7:30 p.m.

Filmed on location in the Southern California area, TIME TO RUN stars Ed Nelson, Randall Carver, Barbara Sigel, Joan Winmill and Gordon Rigby. Nelson plays Warren Cole, a hard driving success-oriented industrial and scientific engineer who, because of over-involvement with his work, has failed to communicate with his wife Fran, played by Joan Winmill, or their son, Jeff, played by screen newcomer Randall Carver.

TIME TO RUN allows the viewer to become involved on any one or more of the three different levels. Viewed purely as entertainment, it's the suspenseful story of Jeff's attempts at sabotage in the nuclear generating plant conceived, designed and managed by his father. Jeff strongly feels that the plant is a threat to the environment, and he puts his feelings in action.

Viewed on an emotional level, TIME TO RUN is the deeply moving drama of the conflicts that are tearing a family apart - conflicts that develop between husband and wife, and between father and son. In an attempt to find freedom from the ever-growing hostilities, Jeff takes to the road, hoping to discover some meaning in his confused life.

Approached from a religious perspective, TIME TO RUN is also a story of friction between Jeff and his girlfriend, Michelle, played by Barbara Sigel, who is a familiar face to television viewers. Michelle has discovered a spiritual dimension in her life, and this aspect is very confusing to Jeff, who has little time for "a God who would allow war, hatred, and suffering on earth". But his life is shattered by an avalanche of personal problems, and he finds himself at a Jesus people gathering with Michelle, where he grasps the possibility of a new life-style based on love and understanding.

TIME TO RUN is a film that can help strengthen love relationships between people. It's a film that was made for families to attend — together.

Willcox Jenkins, Clare Grundman, Jerry H. Bilk, and Lucien Cailliet. The 22-member Jazz Ensemble will present the "Big Band sounds" of the 40's and 70's with special arrangements by Maynard Ferguson, Stan Kenton, Glenn Miller and Duke Ellington.

The Alfred State College musicians were awarded a silver medal for excellence at the Orlando (Fla.) Bicentennial Music Festival in January.
