The Mayor's Column

The special election on Tuesday for the 38th Congressional seat drew a larger percentage of people out to vote than normally. This kind of competition and participation are necessary ingredients in a Democracy. My special thanks to all of you who turned out to vote.

A number of Senior Citizens contacted me during the past month and voiced concern over the abnormal snow fall and the great amount of money that they were paying to have their walks shoveled. At that time, I contacted Mrs. Glover, President of the Golden Age Club, and arranged a time in which I was able to speak to the group. The result of that meeting was information that I carried to the local Boy Scouts of America Troop. Under the leadership of Ken Ordway and Dennis Ordway the Scouts devised a snow-shovel program that would assist those individuals identified by the Golden Age Club that needed help. On Monday, the chairperson of the committee, Grace Burger, announced to the Golden Age Club that the program was in operation. It is a big undertaking, and will need the cooperation of all involved. Hopefully, it will cure a difficult problem. Special tribute is to be paid to the Boy Scouts for being willing to undertake such a task. Congratulations to the Boy Scouts for being so civic-minded and responding to the problem.

On Tuesday night, I attended another Fire Department Meeting with Supervisor Howard Burdick and Ken Roberts. Lots of interest and concern is being expressed in an area that needs attention.

Dear Editor,

I regret that at this point in time I am unable to accept the nomination for Village Police Justice on the Democrat Party Ticket and feel that my supporters are due an explanation.

Due to recent increased business pressure, I would be unable to devote the time necessary to carry out the duties of this position in the required professional manner if elected.

However, since I am deeply concerned with the problems of our Community, I shall welcome a future opportunity to be of service where my qualifications could be utilized for the maximum benefit of local Taxpayers.

Flames of Freedom

Andover Girl Scouts To Light Flames of Freedom

After school on Friday, March 12, 1976 all Brownies, Junior and Cadette Girl Scouts will gather at the Methodist Church to March to the Island Park to light "Flames of Freedom" around the Village Flag pole at 5 P. M.

At that time "Flames of Freedom" will be lit by United States Girl Scouts around the world. The time is shortly before sunset. As night falls on this Girl Scout Birthday, the light of their commitment will be burning brightly wherever there's a Girl Scout Troop. It will shine not only across the continent, but also in far-away places where American families live.

The reason for lighting the flames is to celebrate two big birthdays - Girl Scouts U.S.A.'s 64th and America's 200th - in a way that shows we are together in spirit though separated by geography.

The candles will be lit from a candle which was lit from the candle which Mrs. Gerald Ford lit at the Girl Scout U.S.A. National Convention. We hope that parents, relatives and friends will gather with the girls to celebrate in this Bicentennial Year.

Rod & Gun Club To Hold St. Pat's Dinner-Dance

The Andover Rod & Gun Club will hold a St. Pat's Dinner-Dance on Saturday, March 20, 1976, that will be open to the public.

A Corned Beef & Cabbage Dinner will be served at 7:30, followed by dancing from 9 till 1.

This party that is open to the public is by reservation only, and can be made by calling Brenda Baker at 478-8170; or Robert Simons at 593-4418.

Big Drop Operation

I hope that you are all aware that on March 12th - from 2:00 to 6:00 the Bloodmobile will be in Andover - at the Andover Central School Cafeteria.

This year there has been an extremely great use of the Bloodbank by residents of this area. I hope that everyone that possibly can will be there Friday to donate blood. I would hate to think that surgery had to be rescheduled for someone in this area because of a shortage in the supply at the Rochester Regional Center.

There will be forms available that you can sign designating for replacement for a supply used by a certain person or for a specific person who is to have surgery in the near future and may need this service.

We have a quota of 75 pints to meet this year and we are going to again need every volunteer who can possibly come to meet this quota.
