

# HI-HERALD

## Editorial

by Susan Dougherty

As I look back on completed years at ACS I think of how much harder I could have worked — how much more I could have accomplished if I had just dedicated myself a little bit more. And then I look the other way — into the future — and suddenly realize that it is only two years before I will be slapped in the face with reality and the responsibilities of the world. Then I can understand the anxieties that the Seniors must be experiencing right now about what they are going to do after graduation, wishing they didn't have to leave and regretting all the times that they didn't pay attention in class. Even though my time is coming soon I can say that I am glad it's not me this year and after this I am going to try to work harder and hope that time slows down — at least until I am ready.

## Varsity Basketball

by Kal Shaw

Catching up on some back basketball games that have not been in the Hi-Herald, as of yet. Andover at Whitesville — Andover lost against Whitesville for the second time this season. Andover lost by a mere 7 points, but we were leading throughout the first and third quarters only to fold in the fourth to a rough Whitesville defense. Andover shot well from the foul line making 18 of 26 shots from the line for a 69 percent. Score was Andover 66 — Whitesville 73.

Belmont traveled to Andover on February 13 only to return home with a loss. Andover played a good game with fine team effort. Andover was behind only once in the game, that was in the third quarter the score was 42 - 41 in favor of Belmont. The Panthers seemed to put things together in the fourth quarter as we scored 22 points in that quarter. Andover got a fine showing from Ray Thompson who had 18 points to lead all scorers. The total score was Andover 63 — Belmont 53.

Andover really exploded against the Red Raiders of Angelica, defeating them in overtime 72 - 70. It was a close contest all the way. Andover was behind at the end of the first quarter by 5 points. The Panthers had a fine second quarter as we outscored Angelica 21 - 13. The game was tied several times throughout the second half. Finally with Andover ahead by two points, Rich Reynolds of Angelica took the ball down court and scored to tie the game at 68 - 68 with six seconds left. Andover couldn't get the ball down court to score quickly enough. The game went into a three minute overtime. Andover came out on top by a two point margin. The score was 72-70.

Dale Russell had a fine game underboth boards with Scott Wilson and Ray Thompson giving a fine helping hand in the rebounding department. Doug Preston just couldn't miss the rim as he shot the eyes out of the basket by scoring 22 points in 3 quarters. Jay MacMichael added 16 more points to lead Andover's scoring. Coach Charlie Young went with seven players throughout the whole game, subbing frequently to try to tire out the Angelica players. It was a very well played game and a good team effort. Our next Sectional game is at Alfred against the winner of the Scio-Cobocton game, on Saturday at 1:30 — Come out and cheer our team on to another win.

## Swimming

by Terry McCormick

In the Southern Tier League Finals the Fat Catz took three seconds and a Fourth. The team of Marty Grossman, John Davis, Kevin MacCrea, and Russ Godown placed fourth in a very close race with Naples nipping Andover for the medal. In the 50 Yard Free Russ Godown finished in what seemed to be a dead heat, but the race went to the swimmer from Bath. In the 100 Free Russ, also, placed second. For his two second places Russ got two silver medals. Marty Grossman placed second in the Backstroke.

## Assembly

On March 5, 1976, the Archery Champs will be performing a bit of Bow Magic on the stage of Andover Centra School. Starting off with a brief explanation concerning the various techniques and equipment involved in the sport of archery, the show will then continue with a demonstration of bow and arrow skills that will surely put you of any doubts about William Tell.

The Archery Champs, using that tool that was once a principal fighting weapon in the days of Robin Hood and Sherwood Forest, are professional bowmen that will demonstrate the power of an ordinary thirty pound bow as they proceed to shoot a balloon from an assistant's mouth. This, along with their other feats, will provide an exciting show of talent (and maybe even scare the daylights out of you).
