Short's Service Station

In the Hornell area, which service station still gives the kind of service that keeps customers coming in again and again? The SHORT'S SERVICE STATION located at Arkport Rd., phone 324-4410 has been a "full service" station for years and their customers know it! Featuring the famous Kelly Springfield Tires.

Featuring only quality products, this is one firm which refuses to be in the gasoline business just for the profit if it means sacrificing customer service. You can be assured of a friendly greeting, a clean windshield, under-the-hood service, and the lowest possible price at the pump that the whole sale demands will allow.

Drive on into the SPORTS SERVICE STATION and have your tank filled. We can't promise that the gas will be less expensive than anywhere else... nobody can do that anymore. We do think you'll notice a big difference in service, though, and as the authors of this 1976 Review we urge all of our readers to give this station a chance to show you what the word "service" really means!
