YOU

Are Getting A Refund!

Many taxpayers this year will be delighted by the fact that the present withholding structure is providing a greater number of tax refunds.

To most, these refunds will be found money — unanticipated cash — and a welcome source of extra funds.

Don't let it slip through your fingers. If you're fortunate enough to be entitled to a tax refund this year — save it, at least some of it, for the future.

And "The Citz" is the place to save. Sort of an investment in the future. After all, Uncle Sam invests your taxes in many things. Why not invest your refund in yourself?

The most bank for your money.
