Mr. Allen brought with him printouts which the class used to practice proofreading, marking the errors as he does at The News Office. The class enjoyed the lesson and are most appreciative that Mr. Allen could spend the time with them. Thank you, Mr. Allen.

**Today choose ACTION**  
 Many of you have chosen God and He has chosen you. Today I would urge you to make another choice. Today choose to take action. There is a great need for you to be doing something for God's world. As each one of us to God and is willing to be active, seeing that God's will is done right here good things will happen.

Some of you are too busy with our own problems. Others are afraid that they don't have talent and training. Others are afraid that their ideas will be laughed at by friends. Then others are just indifferent, satisfied because their life is good. (That's rather selfish isn't it?)  
 God needs us all. Remember Jesus was able to use a boy's gift of bread and fish. The boy gave willingly then Jesus blessed the gift and used it to bless many others.

Stand up, look around, yes and even pray to know what you should be doing today and tomorrow. Jesus taught us to pray, "Thy will be done on earth as it is in heaven." Matt 6:9. Together with Jesus we can make a better life for our children, (maybe a child care center) for our youth; maybe even find new ways to help the unemployed with new industry or something. With God all things are possible.

Being indifferent or just hoping someone will do something is wrong. Our hands, our minds, our strength are to be used by God as His instruments to right wrong and bring blessings here on earth.  
 Today choose ACTION. Begin today to learn to be a sensitive instrument in God's hand that His will may be done right here. As God's power works through us amazing good things will happen. Do choose ACTION WITH GOD.
