News That's **Print To Fit**

Hello again! As' you can see we Hello again! As' you can see we managed to recover enough from the "bug" so that we are still about — but we sure weren't in any shape for the "Easter Parade' this past weekend. Come to think of it that does descripe the situation, as we were "weak" and we ended up by entertaining our company for dinner every evening over the Holiday — and then crawled off to bed. off to bed.

off to bed.

Then too, we were just about able to get our yard cleaned up the first of the week so the Village Crew would be able to pick-up the leaves, branches, etc. — but ther were so tired out from the effort that we didn't care whether we even ate or not. And, when we are in that condition well, things are really rough!

Hasn't the weather been absolutely fantastic since last Saturday? Who ever heard of over 80 degree weather before April 20th—and then to last at least 4 days—why that could be our whole summer shot in just one wal!

Let's just hope that we can make it thru this weekend for the forth-coming Ham & Leek Dinner. Then maybe we can relax a wee bit suppose?

We forgot to mention it after the Maple Festival but we did notice that quite a few Main St. Stores were decorated for the occasion. Congratulations Folkel
