

HI-HERALD

Editorial

Wow, the weather took quite a turn from last week's eighty degree days to snowflurries and mud puddles. But we are back in school, and this is our last ten weeks. We may not have done so great on our schoolwork at the beginning of the year, but now we have to take it seriously to get through these last weeks. So let's give our whole-hearted effort towards the end of our school year, all the better to start a new one off with.

Senior Trip

by Kai Shaw

The seniors at Andover Central took their annual trip last week from April 19 - 22. Instead of going to Washington as the seniors have in the past, they decided to take a new route and visit Toronto. The first day started out very early as all of the seniors visited Mrs. Burger's home to have a magnificent breakfast at 5:30 A.M. The bus departed from the school parking lot at 7:30 a.m. The seniors reached their destination at a little after 5:00 p.m.

The first night was primarily free, as the seniors had to get settled in the hotel. For most of the seniors, the trip was not long enough to visit all of the sights in Toronto. The seniors visited such places as the Ontario Science Centre, the Metro Zoo, Planetarium, Africa Safari Museum, and on the way to Toronto they stopped at Fort Niagara and on the way back they stopped at Niagara Falls. They had anywhere from two to three hours to visit these sights.

After the sight seeing hours of the day, the night was all to the seniors. Some went shopping in the huge department stores, while others stayed back at the hotel and had a good time. To most of the seniors this will be a memorable experience in that many seniors were drawn closer together than before. In the comments that we received from the seniors, most of them were very encouraging and complimented Toronto on the way they treated our seniors.

The people who weren't in the spotlight on the senior trip were the chaperons. I would like to thank Mr. and Mrs. William MacCrea and Mr. and Mrs. Ralph Peterson for giving up most of their vacation to travel to Toronto and to visit the seniors and to Mrs. Bernard Burger for giving such a tasty breakfast that everyone enjoyed. All in all the seniors would like to thank everyone who helped make their trip a success.

Boys' Baseball

This year's boys baseball team consists of six seniors, five of which have had three years previous experience. Gary Barden, Bob Hyland, Jay MacMichael, Dale Russell and Steve Scott are all beginning their fourth year of baseball.

Tim Spencer, Steve Vosburg, Marty Geer, and Doug Preston are contributing their second year of baseball.

Ron Rosintoski, Steve Dibble, Pat Atwell, John Gavin and Chris Green are all ready and willing to help in any way they can, as are all players, to make A.C.S. the number one baseball team.

Coach Jon Coon's only comment was, "hope we have a good year". He feels that this reflects the players attitudes as well.

We at Andover wish them the best of luck.

Girls' Softball

The softball season is well under way. The ACS Girls Team scrimmaged Jasper on April 12 and although the weather was too cold to play more than four innings at the end of these innings Andover led 23 - 3. Let's hope that this is just a glimpse of games to come.

The first game is May 3 with Whitesville at Andover, so let's come out and cheer them on.
