The Board has considered suggestions given in March. Sending the 11th and 12th Grades to Canisteo is out. Canisteo also considered sending some to Hornell. But this would mean we would no longer have a high school and no Varsity Teams, also a much smaller bank.

The suggestion to close the pool would have to be done by public referendum. At the Tuesday meeting it was nearly unanimous to keep the pool and do the necessary repairs for upkeep.

The curriculum is not as good for college bound students as in 1941-51. On the other side there are new opportunities today thru the television program and increased Library Media. Also now many attend BOCES where most of our business courses are taken besides other choices. We also send some for half-days to Canisteo and to Alfred Ag-Tech. Mr. Moore explained that the declining equalization rate meant that local taxes would have to increase. Mr. Hussey, former Dist. Supt. of Schools, said are these programs beneficial and can we afford them? The next budget input is May 25
