ROBERT HYLAND

## Robert Hyland Attends Local Government Conference

From March 20 - 22 Rob Hyland, a senior at Andover, Michael Bruce, Mayor, and Howard Burdick, Town Supervisor, attended the Local Government Conference in Albany. The main objective of this conference was to show the relation between state and local governments and how they work together.

They attended many meetings that illustrated different aspects of the subject. During their visit they toured the state capital which was "very impressive". When talking to Rob about his experience, he said, that he thought the trip was "very educational and rewarding."

## Editorial

Whoever heard of breaking into the school and smashing a few eggs and making a mess out of a bit of oatmeal? Not me - and I hope not you. Yes, we were lucky there was no serious damage done, but still, a typical Hallow'en prank on the first of May is a little odd.

There is no word yet as to "who done it", but that's not as striking as why someone would do it. What a way to get your kicks! There are so many other things that young people can do nowadays this breaking and entering seems like nothing but an act of stupidity. The brand new Community Center on Main Street opened last Saturday night, a community center for you, the students; a place to go and have a little fun, or just come in out of the rain. If someone's idea of fun is breaking into the school and making a mess I'd say they were a little off wouldn't you? Whoever did it obviously, has no appreciation for the things the rest of us strive for

## Feature

by Paula Stewart

Did you know that about twenty lives were ended this past week-end? Lives that had only just begun, and could have been saved if some cruel murderers hadn't broken in the school and smashed the life out of them. The embryos were found splattered all over the walls and ceiling of the science room. Their hearts will never beat another beat and this word will never hear the little beep they would have beeped. You may laugh and think it's funny, but think about it, a life is a life no matter what kind it is. Once a life is ended there will never be another one exactly like it; no amount of money or anything could ever bring it back. So before you end a life, think about what you are doing, before you make that decision.

## Track Meet

What! Reported sightings of Bigfoot? No, just the Andover Track Team opening up for another season. The first meet was held in Scio, and Richburg came to compete, also. In the 100 yard dash Rick Cahill got first place and Bob Wallace took a second place. In the 440, Rick Cahill came in first, in the 880 Dave Burns came in first; in the Mile Run, John Davis took second place; Lanny Grossman came in fifth and in the Two Mile Run, Terry McCormick took a fourth place.

In the High Jumping event John Davis held a third place; in the Long Jump Russ Godown placed first and in the Triple Jump Marty Grossman took first place and Terry McCormick took a third place. In the Discus Andy Jackson came in second; in the 330 Hurdles Jim Grossman placed third, and in the Mile Relay which consisted of Marty Grossman, Bob Wallace, Dave Burns and Russ Godown they came in first place.

In the overall Track Meet Andover came in third place, Scio was twelve point ahead of us and Richburg was six point ahead. In the future I hope that there will be more people participating and a many more of the student body supporting our team.

## Baseball

The Andover Baseball Team played their first game with Whitesville with a powerful win of 6 to 1. Their second game with Alfred-Almond was close all the way Andover ended with a score of 7 and Alfred-Almond with 5. The team needs a lot of student support for their games. So get out and make an effort to be at these !!!

- Andover Softball, at Bolivar
- May 28 - Memorial Day Assembly Student Council Dance, 8:00 - 12:00
- May 29 - Baseball Playoffs, Section V
- Alumni Banquet, 6:30

## Anita Winslow Music Scholarship Winner

by Karen Hall

On March 22 five students auditioned for a music scholarship of \$125.00. Four winners were selected and Anita Winslow was one of these.

Anita played a solo in front of five judges and then answered questions concerning music.

The Scholarship was a Certificate given by the Allegany County Music Association.

The money must be used for some type of summer music study. Anita plans to use the money for lessons.

Anita also won a music scholarship last year. She used that money for music camp.

## Student Council Elections

In the process of electing students for Student Council positions, candidates were required to write a speech to be given over the loudspeaker. The purpose of the speech was to let the students know what qualifications each candidate had for the position he wished to be elected to.

For President, Teresa Joyce was the sole candidate.

For Vice-President, in the running were: Teresa Bruce, Tim Mead, Ben Polmateer and Clark Seawright.

Lisa Howland, Amy Baker, and Mike Lehman were candidates for Secretary.

Glenn Weber, Don Clemons, and Cherie Haskins ran for Treasurer.

Out of these, the winners elected are:

Teresa Joyce - President  
Tim Mead - Vice-President  
Lisa Howland - Secretary  
Cherie Haskins - Treasurer

Congratulations!

## Girls Softball

by Karen Hall

Andover defeated Whitesville on April 29 with a score of 23 to 11 in Girls Softball.

Miss Troxell said there were some good hits. Teresa Joyce hit a home run, Beth Polmateer hit a triple and Brenda Lehman hit a triple.

The game with Alfred Almond has been postponed due to bad weather. It is rescheduled for the week of the tenth.

There will be a game at Wellsville, May 6.

Everyone come out and support the Girls Team!
