Mailbox Improvement Week

"Mailbox Improvement Week" a traditional Spring observance which contributes to improved security and appearance of the nation's nearly 24 million mailboxes will be held May 17 - 22 this year.

Held annually, this event has long served as the starting signal for community efforts to repair, repaint and make other improvements to the nation's approximately 24 million rural, curb-line and star route mailboxes, 326 of which are served by the Andover post office.

Postmasters in many communities around the country have led civic groups, the press and municipal governments in the spring campaigns to "spruce up" the mail receptacles often damaged by severe winter weather.

"Because more Americans receive their mail today on rural routes than ever before, 'Mailbox Improvement Week' is more important than when first observed generations ago in rural areas and small communities."

Postal Service Rural carriers serve approximately 13.5 million families along some 32,480 rural routes.

Rural mail service began in 1808. In these days many make-shift receptacles were used in mailboxes. One favorite was a tin can nailed to a tree. Today, manufacturers provide a variety of modern mailbox designs for use with decorative posts in cooperation with the Postal Service.

Methodist Mother-Daughter Breakfast

The Mother's Day Communion Breakfast of the Andover United Methodist Church was attended by forty-three mothers and daughter. The service of Holy Communion at the tables began with the recording of "Beautiful Saviour" by the Billy Graham Choir as a prelude, followed by a prayer of Thanksgiving for families and homes. The Rev. Ray Albaugh sang a solo "Love Was When" Mrs. Virginia York, from Greenwood, presented the first-person testimony of Mary, the mother of Jesus. Everyone sang the following songs, "Thank You" and "There'll Be Sunshine In The Morning".

The delicious breakfast was served by Tad Manske, Harry Weber, Dan Spangler, Conner Stephens and Georgia Brown. The offering balance is being added to the Church's "Golden Cross" offering for courtesy care for the aged in the homes for the aged of the Western New York Conference.

During the morning Worship Service Mother's Day plans were presented to Mrs. Jessie Ahrens, oldest mother present; Mrs. Gail Hardy, youngest mother present; and Mrs. Doris Godown, the mother having the most children present.

Decorative posts in cooperation with the Postal Service.

A "Coffee Hour" will follow the morning worship and it is hoped that everyone will make a special effort to attend. This will give everyone the opportunity to meet Rev. John and Joan Baxter, and newer members of the congregation.

Presbyterians Plan To Hold Flea Market On 4th Of July
