

# HALL OF FAME

Clarence Halsey, winner of a Navy ROTC Scholarship, has been elected to the ACS Hall of Fame.

Halsey has been elected to the ACS Hall of Fame for his achievements in sports and academics.

An active member of the state team and coach of the school basketball team, Halsey has also participated in state and national events.

Halsey received a New York State Regents Scholarship and a scholarship from Marquette University in Wisconsin.

The students and faculty of ACS wish Brian success and happiness in his future endeavors.

### Brian Halsey

Brian Halsey, son of Mr. and Mrs. Halsey.

### Editorial

by Kai Shaw

Now that I am almost through high school and ready to venture out into the world, I look back at the years I have put into Andover High and I have noticed how quickly the years have passed by. The things that I remember most are from sports. I think that sports have a big significance for many of the seniors graduating. It not only gave us something to do after school, but it also taught us how to have confidence in ourselves and it taught us how to work together as a team and not to let each other down when the going got rough.

As I look back on our senior class I notice that many of the teams were primarily seniors and this was good in that we won many of the games we participated in.

But what happens now? I notice that many of the other students in 9-12 have not participated in sports this year and that means trouble for next year. I want to encourage some of you other students to give it a try next year and I don't mean for a couple of practices, but for a season or so. You never know, you might find some sport you are really good at, that you never thought you would do well in.

Just remember - Rome wasn't built in a day and neither is a good athlete, but if you give it a little effort, you might surprise yourself.

All I ask is that you give it a try and work at it because, pretty soon the school will have to depend on you for your support in sports.

### Track

by Terry McCormick

In the County Meet Wednesday, May 26, at Alfred Ag-Tech, a small team of nine runners placed third in Class D and fifth over all.

Russ Godown was a double winner in the Meet bringing home two trophies. Russ won the long jump on his first jump of 18' 3". He also ran the second leg of the winning two mile relay.

The other members of this Team were Bob Wallace, John Davis, and Dave Burns. Dave's great effort in his leg of the relay pulled through the win. The time was 8:58, which is a new school record.

John Davis set another school record in the mile placing fourth with a time of 4:48, bettering the old record by 11 seconds.

Brian Halsey in the Discus placed second, but broke his old school record by throwing 119 feet.

Rick Cahill placed second in the 440 with a time of 53.6 breaking yet another school record.

In the triple jump Marty Grossman tied for second, but had to take third since his second place jump was shorter.
