Senior Interview

Born to Mr. and Mrs. Irvin Swartz on March 7, 1957 was one of our favorite seniors, Cathy Swartz. (That's why we saved her for the end of the year.)
 Cathy's interests over the years are many, bringing her in contact with lots of new people, which is one of her favorite things. She has been in basketball, one year; Band, Choir and All-County Girl's Choir and a self sponsored Christian singing group called "Free born". Girls Athletics, Hi-Herald Future Homemakers of America, and the Yearbook Staff, being "Emily" the lead in the Junior-Senior Play, are a few more of her interests. She has gained a major in Office Practice at BOCES.
 Cathy's future plans: She has been accepted at Central College in Kansas, a semi-private school where she plans a major in Social Work, and anyone who knows Cathy knows she'll be wonderfully fit for this field.
 When asked who her favorite person is or was, Cathy said Jesus Christ. But since He is an exception, I asked who her next favorite would be. Well, Miss Harris, you have a secret admirer! And coming from a person like Cathy who loves just about everyone I'd consider it quite a compliment to be a favorite!
 We'll all remember Cathy for many years to come for the cheerful smile, laugh and hugs she's given to us. As always we wish her every success and have every confidence that she'll be in our hearts forever.

Senior Interview

Another one of the many seniors is Chris Wahl who lives in Elm Valley son of Mr. and Mrs. William Wahl. Chris attends BOCES and majors in conservation and heavy equipment. Both of these fields of study are beneficial to Chris as he helps manage the farm at home.
 Future plans for Chris Wahl include joining the Naval Services.

Senior Interview

The year was 1956, the date September 28 in Bath New York when Mr. and Mrs. Frandlin Russell brought into the world their oldest son, Dale Franklin. Dale would later have two brothers, Kevin and Aaron.
 Dale is an active member of this year's graduating class. He is Student Council Treasurer and a member of the Principal's Advisory Council. Sports has played a major role in Dale's years here at ACS. He has participated four years in basketball, soccer, and baseball, and one year in volleyball. Dale also has been a member of the Senior Choir for two years.
 Many may remember Dale as Doctor Frank Gibbs in the Junior-Senior Play. He also has been a member of Hi-Herald and this year's Yearbook Staff.
 His major is Science and he has attended BOCES for one year, taking carpentry. His future plans are to enter the Army in July 11, 1976 where he will further his carpentry skills. We all wish him the best of luck and our congratulations.

Senior Interview

Curt Vars is a very intelligent person, the son of Mr. and Mrs. Kenneth Vars, and the boy with the highest accumulative average in the class of '78. This math and science major is a very active person, who describes himself as an "outdoor's man". His nature is exemplified by his love for hunting and fishing as well as riding his motorcycles and snowmobile.
 Sports is also an integral part of his life as he has participated in J.V. Basketball, Baseball, and Soccer. Planning off the physical education would be his musical abilities. Curt has been in Band and Choir here at ACS and also has been chosen for All-County and All-State.
 As I have mentioned before, Curt Vars has achieved academically, too, being an alternate for a Regent's Scholarship and a member of the National Honor Society.
 All of these things add up to a total personality which Curt holds as his own. All of these will surely help him to succeed when he attends Alfred Tech this fall to pursue a career in internal combustion engine design. Andover Central will have good memories of Curt Vars.

Senior Interview

Born to Mr. and Mrs. Charles Pitts on June 1, 1956 was the youngest of their five children and our senior in the spotlight, James Pitts.
 Jim seems to be quite an energetic person, involved in many school activities. Some of them are: Camera Club, four years (and I must say, I've seen him repairing and running more classroom equipment than any other Camera Club member). Track, one year; Swimming, one year; Senior Band, four years; Marching and Dance Band, four years; and All-County Band for six years.
 Jim's hobbies have been business, music and Spanish. Experiences such as a business major and his job at Andover's Market Basket have led him to future plans of going into the food marketing field.
 Jim's enthusiasm and energy will, we're sure, bring him much success in his future. We wish him happiness in these successes.

Senior Interview

One who brought pride and joy was born to Mrs. Olga Sparatta September 17, 1957. He named him Jimmy.
 Jimmy has seven brothers and sisters Carol, Janet, Lynda, Donna, John, Mary, and Terry.
 In his spare time Jim enjoys lifting weights and roller skating. Jimmy studies Soil Conservation at BOCES.
 After Jimmy graduates he plans to move to Maine and get a job. We all wish you the best Jimmy!

Senior Interview

Robert Spencer, son of Mr. and Mrs. Donald Spencer, was born on July 3, 1953. Bob, as he is known to all his friends and classmates, has two brothers, Arnold and Donald and one sister, Chris, all of whom, are younger than he.
 Bob has participated in sports during his high school years. He has been in track, two years; and played soccer for three years.
 Bob has majored in Auto Mechanics his junior and senior years at BOCES in Belmont. He also plans to attend Wellsville Vocational Division of Alfred Agricultural and Technical College, to continue his studies in Auto Mechanics.
 We at ACS wish Bob the best of luck in all his future endeavors.

Audit Course Offered To 65 Years or Older

Alfred University has announced it would permit persons 65 years of age or older who are permanent residents of Allegany and Steuben Counties to audit courses at the institution without charge beginning next September.
 The decision was announced by the University President, Dr. M. Richard Rose. Under terms of the plan, elderly area residents will be invited to sit in on courses in the institution's five schools and colleges on a space-available basis and with the permission of the faculty.
 Grades and college-level credit will not be awarded for attendance.
 The University offers a broad range of undergraduate and graduate courses in the liberal arts, business, nursing, and ceramic engineering and art.
 Additional information including course listings may be obtained by writing to the Registrar, Alfred University, Alfred, N. Y. 14802.
