HALL OF FAME

ROBERT MICHAEL HYLAND
Robert Michael Hyland, son of

Mr. and Mrs. Paul Hyland of First Street, Andover, has been elected to the Andover Central School Hall of Fame this year.

Rob has majored in Math, Science and Spanish in his four high school years. This year he attended Alfred Tech for two days a week and took Math and English.

He has been very active in a variety of clubs such as: Red Cross, Student Council, both of which he has been President, this year; Varsity Club, the Principal's Advisory Council and a member of the Advertising and Subscriptions group for the 1976 Yearbook Staff.

Rob has also participated in sports in his years at A.C.S. He has played soccer, basketball and baseball.

Rob has received the Frank McKibben Award given by the American Legion for Citizenship and this year was chosen as an All-Star in soccer.

We at A.C.S. all wish Rob the best of luck and success in his years in the Air Force and all his future endeavors.

150 Attend Annual Sports Banquet

On June 3, 1976, Andover Central School athletes congregated with coaches, family and friends in the school cafeteria for the Annual Sports Banquet. Approximately 150 attended the dinner which consisted of a menu of roast beef, potatoes and gravy, salad, corn, relish tray, rolls, milk and apple pie a-la-mode. The fine work by student waiters and waitresses and the cafeteria staff was much appreciated.

After the dinner, awards were distributed. Among the highlights of the award ceremony, were the awarding of individual trophies to the members of our Section V Championship Soccer Team. Co-Captain Gary Barden said a few words about the team and great season. Special recognition was deserved by the soccer team who went undefeated this year.

A trophy was presented to Diane Bliss as the G.A.A. Outstanding Athlete. This award is given annually to the senior girl who has contributed the most to the girls' sports program. Diane has played soccer, basketball, and softball all for four years and volleyball for three years.

The Board of Education presented a special award during the banquet. A beautiful large trophy was given by the Board to honor John Davis for his World Record Water Treading Time. John broke the old record to set a new one of 36 hours. He is also the only Andover student to hold a world's record. Although his record was broken shortly after his accomplishment, the stamina and courage deserves praise. Congratulations from us all.

The speaker for the evening was a former A.C.S. Coach Carl Witzel who spoke about sports as a way of life. His humor and wisdom was enjoyed by all and his message concerning determination and striving for the top was well received.

Special thanks also go to Mrs. McCormick and Mrs. Burger, and to all those who made this a night to remember.

Senior Interview

by Kal Shaw

This week's Senior Interview is about an ambitious, smart looking character. His name is Brian Kelly Shaw. Brian was brought into this world by one Kay Shaw, on April 16, 1957. Brian has three brothers and two sisters. Their names are: Keith, Calvin, Jesse, Karry and Susan with ages ranging from 21 - 13.

Brian is interested in aeronautics and he spends most of his time reading and talking about planes.

As for school, Brian has done his part for Andover by participating in the sports program. He has participated in swimming, two years; track, one year; Cross Country, one year; and tennis one year. Brian has also participated in the Audio Visual Club. Brian has a part-time job at Peterson's Drug Store.

Kelly has plans of going to Spartan School of Aeronautics in Tulsa, Oklahoma.

When I say good luck in the future, I know that I am speaking for many people. We all hope that you have a big success ahead of you!

Senior Interview

If there is anyone in this school that can be picked out of a crowd with a matter of seconds, it is Bob Wallace. He is readily recognized because of his snow-white hair.

Bob was born November 2, 1958 to Mr. and Mrs. Charles Wallace. Bob has two brothers and two sisters. Cynthia is 15, Debra 14, David 13 and Billy 11.

Bob has participated in many school sports including soccer, basketball, baseball, and track. He is also presently involved in Senior Band and Dance Band.

Bob's major in school is Science and he plans to go to college next year to become an anesthetologist.

Second Grade - There are four students celebrating birthdays this month and they are Andrew Stocking, June 8; Andrew Collins, June 10; Jeffrey Dannheim, June 27 and Westley Merrick on June 28. All four boys are looking forward to enjoying a very special birthday.

The Second Grade class went on a trip to the Buffalo Zoo on Friday, May 21, 1976. All that participated in it had a wonderful time, and they only wished that they had more time to examine the Zoo closer.

Mark Suedi enjoys playing with his new kittens and John Burton enjoys his kitten named Cleo Patria.

Third Grade - Two birthdays were celebrated last month in the Third Grade, as James Buckenschultz and Sharon Dedick celebrated their birthdays in May. James enjoyed going fishing on his birthday, as Sharon enjoyed her ride through the countryside.

In other interests, Kevin Gavin started the baseball season off well he hit a double. Susan Godown received a certificate and pin for having perfect attendance at her Sunday School Class.

Kathy Clarke had an enjoyable time over the vacation as she helped her father celebrate his birthday. Amy Ray's family has a new car and she enjoys riding around in it. Over the vacation Debra Thorp visited her grandparents and helped plant a garden.

Fourth Grade - There are also two birthdays being celebrated this month in Mrs. Peterson's Class as Pat Dougherty is celebrating her birthday on the 11th of June and Kathy Mosher is celebrating her birthday on the 19th of June.

In the pet department, there are quite a few new pets, as Cindy Jones has a new dog named "Duncan", and Tim Fanton has a new pony and Kevin Perkins has some new kittens that he is willing to give away. Nick Brown and Jennifer Lehman and Lisa Cole won 1st, 2nd, and 3rd prizes respectively in the Bicycle Safety Essay Test in April.

Fifth Grade - two birthdays were celebrated in the Fifth Grade as Jeff Bridge celebrated his birthday on May 8, and Yvonne Hess had a birthday on May 9.

The Fifth Grade had a very enjoyable time participating in the Bi-Centennial Play that was being presented by the Fifth through Ninth Grades, in which eleven members of their class were featured. All of the Fifth Grade boys are members of the Little League Teams in Mrs. McNeill's Class. There are six girls that are participating in the Cinderella Softball League. They are: Mel Miller, Daphne Riffle, Kathy Thorp, Shelly Mead, Mary Jo Palmetter and Cindy Fish.

In Mrs. Young's Class Steve Perkins went to visit his sister in Alexander.

In the Hobby Department, Jim Mulholland rides his trail bike quite often and he enjoys it very much.

Mark Whitehouse's horse had a filly; Bob Byan has 30 new chicks and Nick George has two new kittens.

The students of the Week for Mrs. Young's Class are: Jeff Ordway - May 10 - 17; Cheryl Hurlbert - May 17 - 21 and Michele Dannheim - May 27 - 28.

Sixth Grade - Not much action going on in the Sixth Grade as only one birthday was celebrated on May 23.

Christine George has two new kittens and a rabbit; Jim Ryan has a new rabbit; and Kathy Ray has five new puppies.

Senior Class Officers

The Junior Class has chosen these Officers for their Senior year. They are as follows.

President - Tim Mead
Vice-President - Teresa Joyce
Secretary - Cindy Davis
Treasurer - Anita Winslow

Good luck, Bob! We all hope you have much success in your future.

Editorial

Now that the good weather and sunshine are here, we are reviewing for our final exams. It never fails, good weather never comes until the few final weeks of school. Our thoughts start wandering from the classroom where we are seated to the fun and sunshine we could be absorbing outside. Nevertheless we still have to bring ourselves back to earth and start paying a bit more attention, in these last few weeks, than we have already.

By the time you read this in the Hi-Herald, there will only be a week left of regular school session. Hopefully by then most of you will be hitting the books and getting ready for those big final exams. Yes, this is the big one. Kids, if you don't pass these tests your whole year will have been wasted or so it seems. Is it really a big waste if you don't pass the big one? So much emphasis is put on these final tests, that it is very important to pass them. If you don't, then the big boom comes down and you think that you'll never be able to go anywhere or be able to participate in any summer activities.

Well, if you are one of these "border line" cases, I suggest that you should start hitting those books and start worrying if you'll pass your finals. There is only a week left of school and it's never too late to start studying. So, hit those books and good luck!

The informal Spring Choir Concert was thoroughly enjoyed by everyone.

The Seniors in the Choir - Nancy Stephens, Cur. Vars, Brian Halsey, Russ Godown, Mike Richardson, were honored and refreshments served.

Nancy Stephens received the County Choir Award for her participation in All-County Choir the past seven years.

Also the Senior Choir will sing for graduation. They will do "You'll Never Walk Alone" and "God Bless America".

Baseball

by Terry McCormick

In the County Baseball Championship Game, Andover played Friendship at Alfred Almond.

Andover started right off the bat scoring 3 runs in the first inning, and went on to win 9 to 3. Tim Mead pitched another fine game raising his record to 8 - 0, striking out 8 and walking one.

Dale Russell led the hitting with two hits. Pat Atwell, Jay MacMichael, Tim Mead and Lou Spencer each had one hit. It was another great game for Andover.

Yearbooks are out in school. The entire Student Body is running around the halls with Yearbooks in hand and pen in teeth, hoping they haven't forgotten to get any important signatures. It's not easy to try to figure out an answer to a question such as "why don't you have your homework done?" Well, I-uh-had three Yearbooks to sign first period and two second, and three third period.

It's not that it takes a long time to write things - just that it gets monotonous, writing "Have fun this summer and see you next year" every time somebody walks up and hands you a black covered book with a little gold emblem on it. There are always those special people who get the old "Remember the time" and "Don't forget when we -". And then there are those other special people who get the old "Stay away from -", and "If I ever catch you -".

This spring rite is necessary to our well being. It'll give us something to think about when we're old and gray and read "Don't ever forget me". Even if we do forget it may be fun trying to figure out why we shouldn't have.

Thank You

The Cafeteria Staff of A.C.S., thank the coaches and athletes for the flower arrangements they received. They were beautiful and much appreciated by us all.

Track

by Terry McCormick

On Saturday, June 5, Andover took a team of six runners to the Section 5 Track Meet. This year's team did better than Andover has ever done before.

In this Meet Andover beat a total of 11 teams. Rick Cahill placed second in the 440, breaking his own school record. John Davis placed second in the Mile with a time of 4:48, again breaking his record. The Two Mile Relay Team of Bob Wallace, Dave Burns, Russ Godown and John Davis placed third. Russ Godown and Brian Halsey placed fifth in the Long Jump and Discus.

This year's team had a good season and would like to thank everyone involved.
