HI-HERALD Editorial

by Kelly Dunham
 Spectators are a large part of the sports scene. For years people have been attending the boys games. In the last few years the girls have come on quite strong in participation in most sports. The girls have regulation teams, uniforms, and equipment and expend a lot of time and effort, yet spectators haven't quite caught on to how far the girls have come.

We seem to get more spectators year by year but not as many as we'd like to see. The girls are really serious about sports and need that moral support. Of course, if we had a great championship team one would see the people flocking to the games because everyone wants to be with the winning team.

Spectators are wanted and needed at both boys' and girls' games, so get out there and give BOTH teams your encouragement and they in return, will give you their very best performance!

Soccer

by Bernice Wilson
 The boys have started out this season with a win over Scio last Wednesday. The score was 1-0 because of a penalty kick put in by Tim Mead in the second quarter. According to Coach Don Cook the main problems were fundamental mistakes to be taken care of in practice. When asked what his opinion was about the team Coach Cook replied, "I am looking

forward to a strong season. The upcoming games are October 5 with Belmont and October 7 at Scio.
