Richard Massionald of Bath County Supt. of Schools, emphained "The direct route to recognization or consolidation" which will precede the preparation of lacitud patents and public meeting seech of the three Districts. Haskid the decision on whether to chasolidate will be determined by the people in the Districts on modification of the property of eligible that the expression of the explained the first pattings and the proposed consolidation district is needed to the pattings of the proposed consolidation district before any further steps fowards through the property of a consolidation district. He said the majorial will be as facinal as possible. He said fonce of the papil projections and other in the said that the majorial will be as facinal as possible made to be seeded to the papil projections and other in the said that the decision of the three Beards in the decision of the thr

there was a general sentiment the fand-backs of the Possi in the fact backs of the Rossi meetings on each district as a part of the study for the three schools consolidation. The three schools will meet in joint session to synthetic information assembled by the Frincipals and Dr. MacDonald's office belove a broother assembled by the proposed consolidation. The will be followed by public meetings in sect of the section of

The first forwal stee toggids consolidation will be the superstion to the three Boards of petitions asking the Commissioner of Education to lay out the Commissioner of Education to lay out the Commissioner of Education asking the consolidation. Only those in Favorare-to-sign. If a majority of eligible voters sign. (about 60%) the Commissioner will have out the District. The next strep will be a second petition to the Commissioner will have out the District. The next strep will be a second petition to the Commissioner asking for a vote on the creation of a new District. They must be signed by a number equal to 10% of the children on the school census in each District These are 335 in Greenwood: 34 in Troupsburg; and 485 in Jasper so petitionss would be signed by 35 in Greenwood: 34 in Troupsburg; and 50 in Jasper. No date for the actual voting would be set within 30 days after the Commissioner receives the second set of petitions.

voting would be in each of the Central Schools but all ballots would be counted in a central location as a single vote. The proposition would be a signed yes or no and a majority of 51% would rate. If the consolidation is approved, a meeting of the voters of the new District would be called by the Commissioner of Education to elect the new District would be consolidation. The new consolidation District would abaction rate in the work of the supprove the consolidation District would abaction rate would abaction rate would abaction rate would abaction rate of the supprove the consolidation between approve the consolidation between the supprove the consolidation of the work of the supprove the consolidation would be worked and the three Principals have emphasized that the will not be made until a New Board as been routes and other manufactured and the consolidation of the work of the dnestier of the same of the sa
