

The Mayor's Column

by "Mayor" [Name obscured]

The Christmas Season is a beautiful time of the year. Locally, we enjoyed the music playing from Tom's Tique Shop. It certainly added charm to the business district. If you have the opportunity to drive through the Village during the evening hours, the decorations would be a sight to recommend the winter trip. Some people have beautiful decorations highlighting the season.

The Village Crew reports that most of the residents are parking their automobiles off the streets as prescribed by Local Law. Although there are a few who ignore the Law, and as a result, make both the street care difficult and endanger their property, compliance has enabled excellent maintenance.
