There is so much of major concern for both lawmakers and the residents of New York State there days, that it is difficult to find much time or cause for humor. Yes I am a firm believer that, no that ter how serious the situation may be or how many problems we may face, a Ittle laughter is an essential ingredient for us all if we are to keep our proper prospective on things.

race, a true tagginer is an essential ingredient for us all if we are to keep our proper prospective on things.

Those of us who spend weeks and months of our time in the hallowed halls of the State Capitol and related facilities in Albany, car usually tind humor surround-have to take things with a state content of salt. The area bolds true for enter press corps which covers the day by-day routine of state government and the goings on of the Logislature. Despite the fact that there are new challenges and new groblems daily, a pattern dose emerge from the months of deliberations of the Assembly and Senate, and to those close to the scene, it is a scenario played out year after year with little real change. In the spirit of a tight-hearted bit of humor to break up some of the more weighty issues discussed in this column weekly, the following was written for the enjoyment of the members of the Capitol press corps and some close triends concerning their interpretation of how things go in Albany year after year, regardless of which political party is in power. It was written by a veteran newsman who more than most, was familiar with the Albany scene and covered it for many years. I'm sure it was his humor which inpt his sanity. I hope you state the following.

At these time during the islative the service of the comment of the comment of the many years. I'm sure it was his humor which inpt his sanity.
