Principal's Office

Following the dictates of the P. S. C. until further notice, the school pool has been shut down and the heating system is definitely set at 65 degrees during the day and 55 degrees at night. All outside ventilation has been shut off. All hot water showers have been eliminated. Parents are still advised to dress their children accordingly.

The district principals from all 13 Allegany County School Districts met with the Superintendent of Schools, February 16 and have tentatively worked out the following vacation schedule: As of this time Andover Central School will be in session on the scheduled vacation days:

April 4, 5, 6, 7, 14 and 15. Easter Vacation will begin April 9 and close April 13. This schedule is tentative because if more fuel or weather days are needed the schedule will have to be revised. You will be advised of any schedule changes.

Mr. Jordan is in the process of writing the 848 plan required by the New York State Commissioner of Education and the legislature which must be filed May 1, 1977 with State Education Department. This plan is a five year plan for forecasting school enrollment, staffing, financial and physical needs of the school district. The possible uses of this plan by the New York State Legislature is to determine future State Aid payment and the possibility of reorganization of the school district.
