GREENWOOD NEWS

The three school merger is off for now for lack of support on the petitions. Dr. Richard McDonald of Bath met Tuesday with the three Principals of Greenwood. Jasper and Troupsburg, who returned the petitions. He said the report from his office is unofficial since the decision has to be made by the Commissioner of Education. He had asked for at least 60% support of the consolidation. The support was: Troupsburg 35%, Greenwood 16%, and Jasper 23% on petitions in favor. Greenwood has 769 qualified voters and 130 signed to go on. Jasper has 832 qualified voters with 194 signatures and Troupsburg has 603 qualified voters and 213 signed petitions. The Boards started action in October. No vote will take place.
