

Mr. and Mrs. Ricky Lee Hancock

The Andover Methodist Church was the setting February 26, 1977, for the marriage of Miss Rhonda Jean Geffers, daughter of Mr. and Mrs. Robert Geffers of R.D. 3 Wellsville to Ricky Lee Hancock, son of Mrs. Frank L. Cahill, Water St., Andover, N. Y., and Richard Hancock, Byron, N. Y.

Miss Wendy Hancock, sister of

the groom, was Maid-of-Honor. She wore an A-line gown of blue polyester crepe and carried two long stemmed yellow roses.

Mr. Brian Halsey of Milwaukee, Wisconsin and Andover, served as best man, while Robert Geffers, brother of the bride, and Louis Spencer of Andover, seated the guests.

Letter To The Editor

Leader John Hasper, County Judge William Sepra and myself deemed it necessary to remove this partition to allow use of the room for the Grand Jury.

The removal of the partition to allow use of the room and by not having to make any changes to the dias, walls or floor justified the expense of the partition change.

The recent newspaper attack by Mr. Watson on the procedures of this committee indicates that he has not studied the committee responsibilities as formulated by the Rules Committee and adopted by the County Board. A procedure for equipment purchases has been followed whereby approval for equipment, automobiles, etc., must first be approved by the committee having jurisdiction over a department, and then a written request be submitted to the County-Owned Property Committee for its final approval. This procedure has been followed and allows for an orderly process whereby inventories of county property purchased and sold can be maintained.

Appreciation

I wish to express my heartfelt thanks to all my friends, co-workers, and business acquaintances for all the cards, flowers, gifts and acts of kindness during my hospitalization, and my recovery at home.

I also wish to extend my deepest appreciation to all the workers at the plant who contributed to the cash donation which was sent to me, and words can't express my feelings for the Lions members and local friends who chipped in together to buy the "C.R." radio equipment presented to me. This will certainly shorten the many hours of the slow recuperation process that I still have to face after my recent heart operation.
