**Complete Course**

George M. McCaffery and Ronald R. Kemp, Installer Repairmen for the Iroquois Telephone Corporation in Alfred, New York, have completed a course in station carrier at the Continental Telephone System Training Center near Amherst, Virginia.

The five-day course, primarily for prior students of basic station installation and station repair deals with installation, trouble analysis, and maintenance of AML CM-4 and CM-8 station carrier systems.

McCaffery has been with the Continental System since 1970 and Kemp since 1969.
