The weather outside has been absolutely beautiful. It seems that as the weather gets better, attendance gets worse. I wonder why? I know it's hard to stay in school on such warm, sunny days. But look at it this way, if you don't skip you have less notes to worry about forgoing. Also, if you skip school and are caught you just might have detention. Who wants to stay after school on a nice day? If you get in the habit of skipping think of all the work you have to make-up and a possible failure. So, play it safe — stay in school.

Boys Baseball

by Scott Richardson

Pat Atwell, pitching for Andover, had 10 strikeouts and gave up only 2 walks, and 4 hits. Randy Greathart had the hot bat for Andover going 2 for 2 and 2 RBI's.

The Andover boys team had a field day by drugging Whitesville 21 to 3. Andover won on a 23 hit attack. Tim Mead went the distance for Andover, striking out 12 batters, and walking only 2. Tim went 3 for 5 at the plate and scored 3 runs. Eric MacMichael went 4 for 4, scored 4 runs and had 4 RBI's. Pat Atwell went 4 for 5 and scored 4 runs, and had 5 RBI's. Guy Baker, only his second game of the year, went 2 for 4 at the plate, and scored 3 times. The boys overall record is now 7 wins and 3 losses. The next game is Monday with Richbur.

Girls Softball

by Teresa Joyce

The girls softball team has ended the 1977 softball season with a record of 3 wins and 5 losses.

On Tuesday, May 17, Andover hosted Alfred-Almond and lost 14 - 9. There were several good hits in the game, including a triple by Lisa Howland.

On Friday, Andover traveled to Wellsville and lost 11 - 10. The Panthers were behind by as many as 8 runs, but several base hits and a Cherie Haskins in-nerun brought ACS within striking distance of the Wellsville squad.

Congratulations for a good season girls. Team members, don't forget to sign up for the Sports Banquet and the GAA overnight!

Chance did you know? What Sunday, May 11, 1977? Did you hear anything about it being Mother's Day? What did you do nice for your mother on that special Sunday?

Every year the second Sunday in May is Mother's Day. This day is to honor motherhood. That special Sunday has been special since May 8, 1914 when it received national recognition passed by Congress. Long ago in England they had Mothering Sunday, which occurred in mid-June. Many other people have had something similar to our Mother's Day.

One custom is that gifts are given to the mother. She may get carnations in church. Another custom is the carnation. The carnation is a floral emblem of Mother's Day. A colored carnation means that one's mother is living. A white carnation is worn if one's mother is deceased. The carnation signifies sweetness, purity and endurance.

Don't forget your mother on the next Mother's Day. Think about what Mother's Day means and what it means to your mother. Do something for her after all it is her special day.

Student Council

by Teresa Joyce

The Student Council elections will be a little different this year than last.

Any student who will be in grades 10 - 12 next year is eligible to run for any Student Council Office. Those interested should contact Mrs. Debra Knapp by Friday, May 27.

On June 3, a "run-off" election will be held. This run-off election will determine the top two contenders for each office and these students will be put on the ballot for the final election. Results will be announced on June 6.

The main election is scheduled for June 10. This leaves June 6 - 10 open for campaigning.

These dates may be changed if the school budget is not settled however, because of voting machine regulations.

Mr. Hanks, who is on the BOCES Career Education Staff, talked about the considerations needed to make a wise career choice, such as knowing abilities, interests, and values.

The class participated in lessons relating to a Fall-Out Problem that involved values and an on-the-job project relating to following directions that demonstrated the value of good communication.

Notice

Parent of a preschool child who has recently moved into the Andover School District and who has not registered his child should contact Mrs. Charit, McCormick, school nurse-teacher, immediately. Parents may also come to Andover Central School to complete the necessary forms.

This is especially important for children who will enter kindergarten in September. Please register your child if you know that your child is not on the census. Children may enter kindergarten in September if they will be five years old on or before December 1, 1977. Please contact Mrs. McCormick at 478-8491 if you have questions.

Band Parents

The Jr. and Sr. Band members elected earlier this year to plan an outing at Elmira's Eldridge Park, Saturday, June 4. This was an alternative to having a band party at someone's home.

We need some parents to help with food preparation, etc.

If you are willing to go, please call Mrs. Potter at 478-8491. The students will be transported by bus. This includes Color Guard and Honor Guard members.

The Music Dept. will give each student \$1.00 to start the day.

All students will bring their own lunch. We will provide cold drink for everyone, and charcoal for cooking. Thank you.

Isn't the weather just beautiful? It is nice and sunny and hot. Remember Mother's Day when it snowed? That was just two weeks ago. Everybody is running around with suntans and burns from the sun. The style of clothes has changed, too. Socks and shoes are gone and sandals are in. Halters, tank tops, shorts and bathing suits are being seen everywhere. Pools are now in use and creeks are also being used to swim in.

This hot weather is nice to have after the cold winter. So let's enjoy it in every way we can.
