New Film Features
"CORRIE" Ten Boom

"CORRIE: Behind the Scenes with THE HIDING PLACE," a new full-length color release from World Wide Pictures, will be shown at The Christian Missionary Alliance Church, Rochambeau Avenue on Sunday, August 21. A single showing is scheduled to begin at 7:30 P.M.

THE HIDING PLACE, a true story filmed in Holland and other European locations, is based on the experiences of Corrie ten Boom, who with her father, sister, and brother, provided refuge for countless Jewish families. A secret room was constructed in their home as a hiding place for use during Gestapo raids. The ten Boom's activities were discovered and they were sent to prisons and concentration camps.

According to Kenneth Bliss, Director of distribution for World Wide Pictures, THE HIDING PLACE has been extremely well-received both by audiences and film critics. "CORRIE" was produced to give people who have seen THE HIDING PLACE or read her many bestselling books an opportunity to hear her share many of her memories about her life in Holland, her family, and her lifetime of service to others.

Bliss added that the film "offers a great lesson in the perseverance of a personal faith in a very dark and trying period of world history. Corrie ten Boom, now in her eighties, has a tremendous vitality, a deep spiritual commitment, and a profound love for her fellow man. We believe we have succeeded in transmitting a part of her zest, personality, and source of strength through this film."

Bliss noted that the film includes "interesting sidelights on the experiences of the cast and crew during the filming of THE HIDING PLACE."

The Reverend Richard Storr, pastor of The Alliance Church stresses that the showing of "CORRIE" is open to the public free of charge. "We encourage families to plan to attend together for what we believe will be a memorable experience," he concluded.
