VOTERS & TAXPAYERS

Its about time we Taxpayers and Voters of Andover be more concerned with our Town Government:

1. We need better communications between the Town Board and Public.
2. Monthly Town Board Meetings should be held in the evenings to enable public participation.
3. A better bookkeeping system should be set up so that we Taxpayers will be able to understand more readily when and where money is coming in and what it is going out for.
4. We need to know more about the funding and servicing of our Ambulances.
5. Each years proposed budgets should be made public and printed or published before being passed so there will be no more unexpected surprises.
6. Taxpayers should know they have the right to examine records in the Town Hall upon request.
7. When the Town receives money from the Federal Government, for heavens sakes it should not be given away. How are we going to improve our own Town if this continues.

In other words — We, the people ARE the Government and should be recognized as such!

To achieve this, we need New Councilmen on our Town Board, therefore, I'm running for this position on the Republican Ticket to fill the VACANCY effective January 1978.

I'D APPRECIATE YOUR VOTE! Thank you,

JOAN WALLACE
