

Statue of limitations.

One thing Americans didn't need back in 1776 was a statue of King George III.

What they did need was ammunition.

So on the evening of July 9, 1776, a crowd gathered and toppled the four-thousand-pound statue.

Then, adding insult to injury, they melted it down to manufacture exactly 42,088 bullets.

That was one way Americans took care of their country's needs.

Today, over 9½ million Americans take care of their

country's needs, and their own, by buying U. S. Savings Bonds.

Whether bought through the Payroll Savings Plan, or regularly where you save, Bonds add up fast to take care of all your needs. Education, retirement, travel, whatever.

So buy U.S. Savings Bonds. There's no limit to what you can save.
