## Editorial

by Karen Bryan and Tracy Richardson

Have you ever noticed that boys sports get more recognition than girls sports? Chances are if you're a soccer fan you've missed more boys games than you've seen girls games. Basically, there is not much difference, aside from the obvious. The girls can do just as well as the boys, with a little enthusiasm and support. Actually a few fans wouldn't hurt any.

A little financial aid from the school would also help a great deal. Thanks to Miss Troxell, the girls have new soccer uniforms which she bought for the team.

Why not make the girls happy by coming to their games. See you there!

## Soccer

by George Milligan

The first game of the season spelled "Victory" for the boys. They defeated the Greenwood Eagles 9 to 1 on Friday, Sept. 16.

The Panthers dominated the game from start to finish, with the first goal of the season scored by freshman Guy Milligan.

The other scoring members of the team were: Pat Atwell with 4 goals, Marty Geer with 2, and Eric MacMichael and Rex Vosburg each with one.

The first league game for the boys was a 3 to 2 victory against Alfred Almond. The Panthers were ahead 3 to 0 at the beginning of the 4th quarter, but the Eagles came into the 4th quarter ready to go. They scored 2 goals only 3 minutes apart, with only 10 minutes left in the 4th quarter, but the Panthers held together and pulled out a win.

The Panthers came out on the field ready for the "Richburg Bearcats". The second half was the favorite half for the boys. After a "dead" 1st half, they got together and finished the Cats off with a score of 4 to 1.

Monday, Sept. 26, was the first away game of the season, played at Whitesville.

The team played very well despite the muddy field conditions. The Panthers pounded the Blue-Jays defense to chalk up the score of 5 to 2.

## Senior Interview

Beth Ann Barden was born on December 4, 1960, in Wellsville, N. Y. She has a brother Gary who is eighteen and a married sister, Cindy Vance, who is 21.

Beth has participated in soccer 3 years; Band 4 years; softball, 2 years; and cheerleading 3 years. She has also been a Student Council Representative and a FHA member.

Beth is majoring in business here at Andover, and she hopes to go to Alfred Tech and major in stenography or court reporting.

Beth doesn't really have anything she enjoys the most, because she likes to do a lot of different things -- like playing her flute and piano.

## Non-Credit Course To Be Offered At Ag-Tech

Area residents interested in physical fitness or in improving their reading skills are being offered evening programs in these fields at Alfred Agricultural and Technical College.

Arranged by the college's Office of Continuing Education, the non-credit courses will begin early in October. The physical fitness class is scheduled from 8 p. m. to 9 p. m. Wednesdays for ten weeks starting October 5, while the reading skills course will be offered from 7 p. m. to 8 p. m. for ten weeks beginning Thursday, October 6.

Information about fees and other registration details is available now by contacting Mrs. Peg Rusinko at 607-871-6261 or at her office in the Business Technologies Building.

The fitness course, designed to firm and tone muscles, will be directed by Heather Meacham who has attended the Bonnie Prudden Institute workshop the past two years. She is a graduate of Chamham College in Pittsburgh, Pa. and received her master's degree from Springfield (Mass) College.

The "Improvement of Reading Skills" course will cover such areas as varying reading and scanning and effective listening. All course material will be provided.
