"The Lincoln Conspiracy"

by Cathy Hall

The Movie "The Lincoln Conspiracy" looked as if it might have been a good movie if us Andover students could have watched it from the beginning and heard what was being said. I can't actually describe the movie because of all the discourteous, selfish students who were there. I mean they acted terrible. It was bad enough with the paper airplanes flying around and the noise, but the students from participating schools had the nerve to burn things too. The theater people were at fault too, because they promised to wait until we got there before starting the movie, but they started it 10 minutes before we got there. They didn't even have enough seats for us. If you ask me, they were only after a quick "buck". So, actually I do believe we could have enjoyed the movie if there weren't so many distractions.

Getting sick of being harassed when you have a substitute teacher in school? Doesn't it always seem like they zero out on you to pick on? Well, I have a solution for that. First of all we must think of how we treat the teacher. Are we very polite and courteous? Expect the same from the teacher that you give him. Be nice and he'll be nice in return. Do we ever think of how we sound to our fellow students? Are we taking into consideration how they feel if we sit there and harass the teacher or vice versa? Well, we should be quiet so the students can hear the teacher equally well, so we don't disturb them. They may want to hear and learn something.

Just remember, be courteous have some consideration for the teacher, and he will treat you just as well. This way, it will be just easier for you and your teacher to get along.

Have you, the people of Andover, noticed the members of the Soccer Team, going around selling candles two weeks ago? Why are they selling candles? Because they were making a goal to sell enough candles to get new nets and new home uniforms. And they met their goal. Why because the people in the community of Andover were nice enough to support the Soccer Team.

That goes to show that the people of Andover are backing up the Panthers 100%. They plan on having the uniforms in about another week, so, when they come in you will see the Panthers in nice white and purple uniforms.

Andover Track Team

Mr. Richard Gill - Coach of the Andover Track Team 1977-1978. I will be looking for individuals who are willing to work for an ultimate goal of winning. The attitude of each member of the squad is essential to their play and the play of the team. My part as Coach is to organize and prepare each individual involved, for competition in their field. Each member will have their duty as a participant, to give their all in competition. The key to success is each player showing the pride in not only himself, but the school. We are representing Andover and people look up to us. My goal is to have a competitive team, that will give their all in a sportsman-like conduct. It should be noted, that no person is ever beaten, until he accepts defeat. I am looking forward to a fine season.

Richard L. Gill

Girls Soccer

by Karen Bryan

Due to an extreme lack of communication so far this year, the girls soccer news has failed to be written up. The season is coming to a close - with only three games left. The girls have been holding their own this year, as always and the record now stands at 3 wins, 6 losses, and 1 tie.

The Pantherettes started off the season on September 12 with a 4-3 win over Troupsburg. Then we suffered two successive 8 - 0 losses to strong Greenwood and Addison team. On the 21st, the girls came back with an 8-4 defeat of Whitesville. The 23rd saw us at Belmont where the Bears handed us an 8 - 1 loss. Andover also bounced back from this loss with an 8 - 0 cream of Wellsville.

Then on the 29th, Alfred-Almond, the County Title holders from last year, defeated us 6 - 0. Even though the score looks like a runaway - it wasn't, thanks to excellent offensive and defensive playing by Andover. Scio visited Andover next only to accept an 8 - 4 defeat.

To start off our October games, we tied Richburg 4 - 4. On the 7th Scio got their revenge and beat us 2 - 0, but on the 11th Andover had a tremendous 10 - 0 win over Whitesville. Five goals were made by five different people - Laura Dugan, Tracy Grossman, Michele McNeill, Marcy Mead, and Sue Bliss.

Last Thursday the Belmont team met us again and it looked like we upset them in the first quarter when we took an early 2 - 0 lead. We kept the lead the whole first half until they got lucky and scored two goals and a penalty kick.

The season will end this week with a Wednesday game at A-A Thursday at Wellsville and Friday home with Richburg.

Andover Tied For First

by Kim Clark

Andover is having an improved Soccer season this year. When they played Alfred-Almond on October 4th, it was another double overtime game ending up in a 2 - 2 tie.

Marty Geer opened up the scoring with a penalty kick in the first quarter of play. His second goal came in the fourth quarter when Marty belted in another goal for Andover, making it the final goal of the game.

October 6 was the next game and they played at Richburg. They played another double overtime game. The score ended up a 2 - 2 tie. Goals were scored by Pat Atwell and Mike McNeill.

Boys Soccer

by Susan Dougherty

The Panthers had a busy week last week with a game at Wellsville Monday. Andover came out on top by a score of 4 - 2. Eric MacMichael and Marty Geer each netted one goal, while Pat Atwell booted in two. On Wednesday the strong Andover team hosted Whitesville. Well, they should have stayed home as the Panthers whipped up a 5 - 0 win over the Bluejays. Marty Geer scored one goal and Pat Atwell scored an impressive four.

The boys finished off the week on Friday with a home game with Belmont. This team was the only team to beat Andover so far this year, but the Panthers got their revenge by topping Belmont 3 - 2 in double overtime. Pat Atwell was right there as always, putting in one goal while Marty Geer put in two very important goals. The Panthers have been having a fine season so far and we wish them the best of luck for the remainder.

Senior Interview

If someone were to describe Lorie Bridge as being tall and pretty, they were only half right. She is also a very nice girl and one of this year's seniors. Lorie was born on September 26, 1960, the first child of Mr. and Mrs. John Bridge. She has two brothers, Randy who is 15 and Jeff who is 12, and a little sister who looks exactly like her, Kristy who is 3 years old.

Lorie's years at ACS have been taken up with a variety of activities. Her main preoccupation has been with music, playing the piano, clarinet, and bass clarinet. She has been involved in Band for eight years, being a member of junior, senior, and dance bands. She has participated in Choir for three years, and holds the office of Secretary-Treasurer for Choir this year. She was the Student Council Representative for Band in her junior year, along with being a Track Manager, 2nd Chart Keeper for Basketball. Lorie was a member of FHA for two years, and her sports interests involved her in both Cheerleading & Cross Country for two years each. She has served as Vice-President of her class in ninth and tenth grade. This year she will be the Official Scorekeeper for Andover's Basketball Team. Apart from her school activities, Lorie also holds a job at the Bethesda Hospital in Hornell.

After graduation Lorie hopes to attend Clinton Community College in Plattsburg, New York, for an education in business management. Her most important future plans are to wed Marty Grossman in September of next year. Lorie will leave Andover with our best wishes

to Mr. and Mrs. Glee Dibble of Greenwood.

The first real Sap runs in this area were reported Sunday and Monday. So far this season there hasn't been too much sirup made locally, although a few farmers whose Sugar Bushes have a southern exposure report making up to 100 gallons.
